- Insolvency Statistics

# Insolvency Trends

- The OSB will be increasing its focus on Division II proposals including :
  - proposals with excessive payments,
  - non-viable proposals, and
  - any proposal that is unjust to any of the parties which may need to be remedied.

# On the Radar

- LIT/Court capacity to handle a possible increase in filings
- Access for micro, small and medium sized enterprises and low income/low asset debtors
- Broader, comprehensive legislative policy review table to be supported by the OSB in the medium term

# Debt Advisory Marketplace

- Compliance efforts continuing
- Seeing some positive results
- The OSB will continue to use existing tools and explore new tools to effectively address the debt advisory marketplace issues

# OSB Priorities

- Regulatory amendments including LIT Tariff review ready to go at first opportunity
- Digital Insolvency Governance Network
- Trustee Compliance areas of focus and new approaches:
  - Aging – focus on correcting problem areas
  - Division II Proposals – fulfil all duties
  - Assessments – requirement to cover non-insolvency options
  - Debtor choice – consequences for failing to comply
  - Insolvency counselling – longer sessions correlated with better results
- Debtor Compliance:
  - Increased focus on Division II proposals - Debtor Compliance Referrals encouraged

# Digital Transformation

- The OSB is investing significant energy to update its aging IT systems and to explore uses for AI in support of more effective, risk-based approaches to compliance
- A single system vision remains a long-term goal

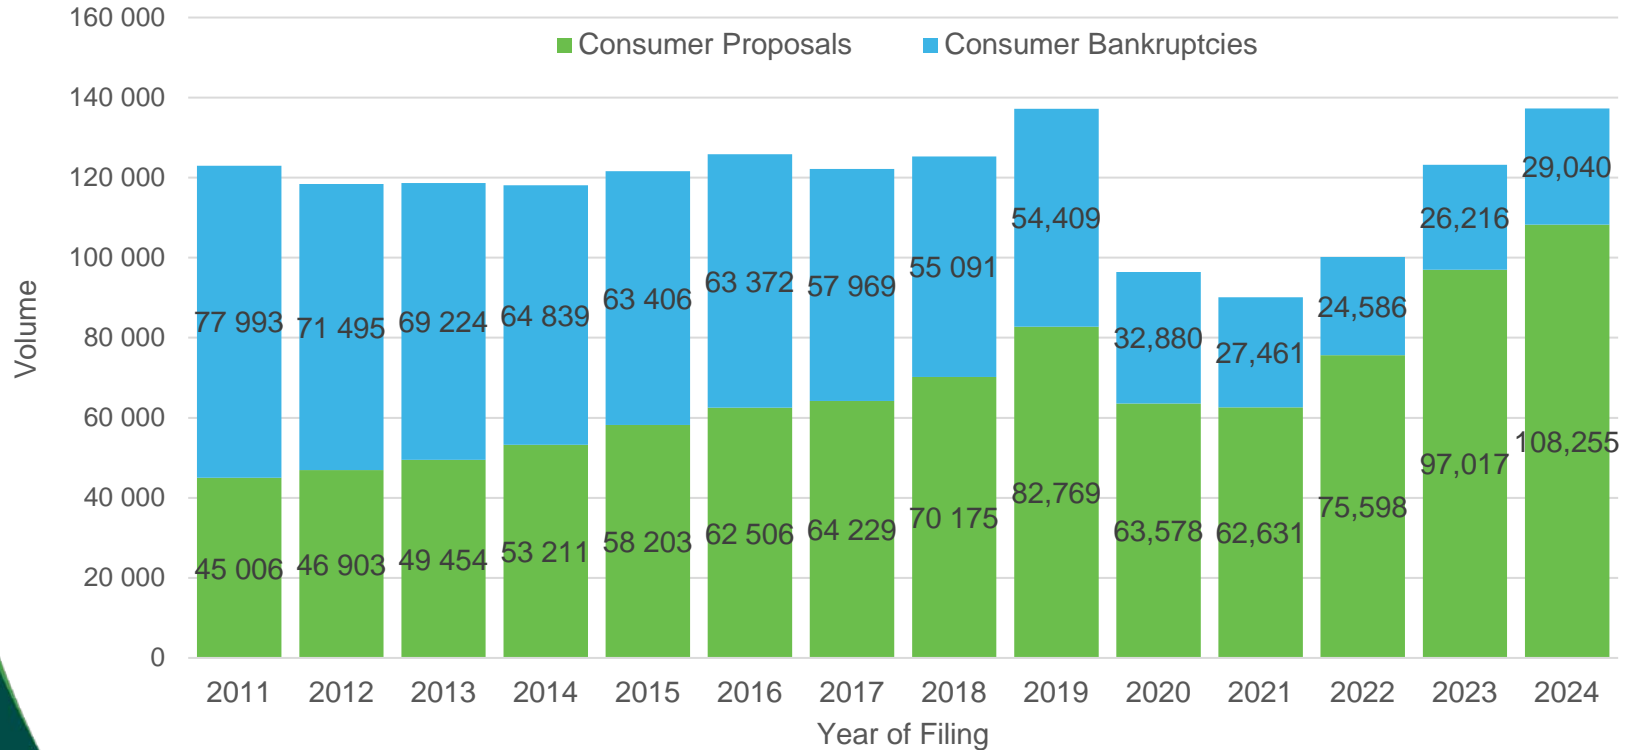

# Compliance Reminders

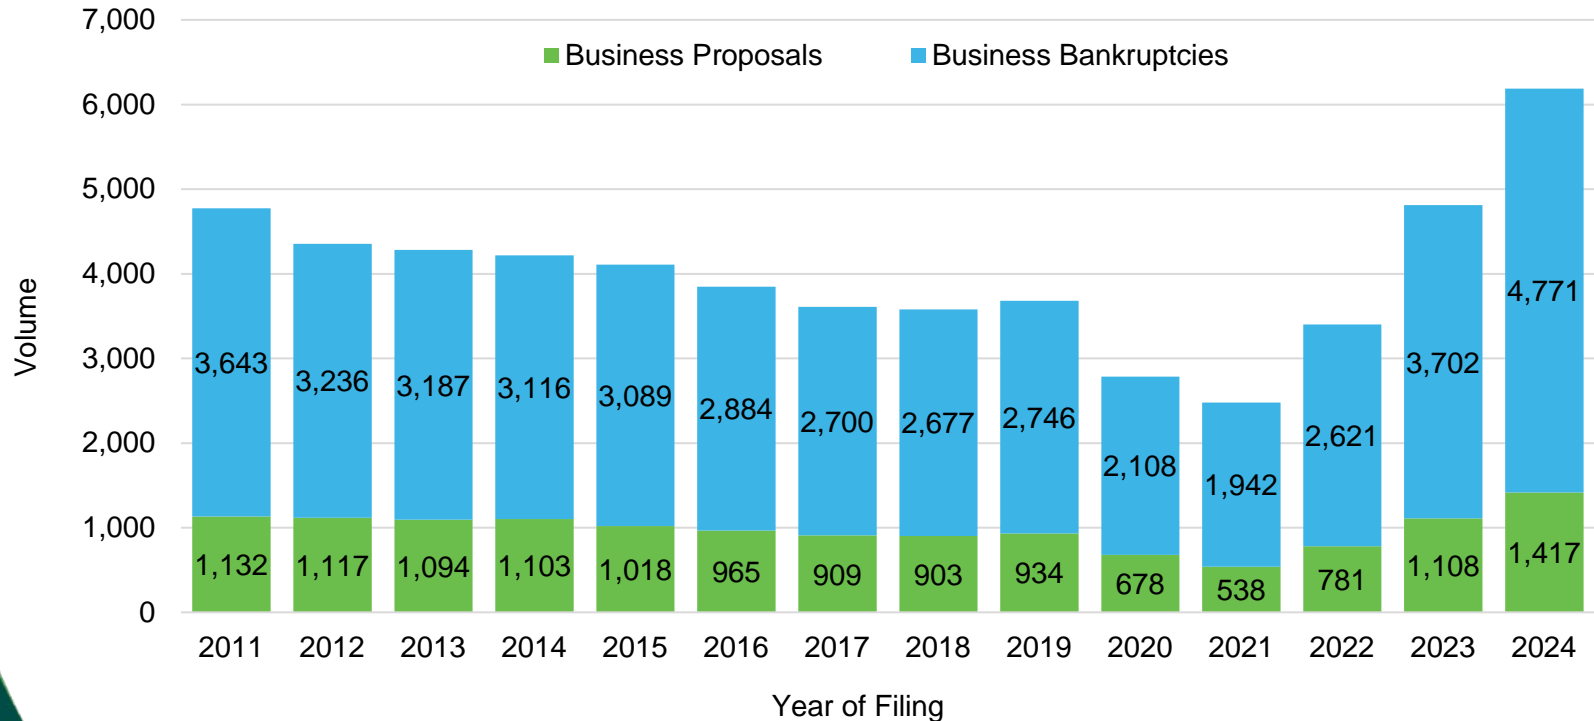

- IT and outsourcing
- Licence Extensions
- Prior Approval for Licence Changes includes LIT firm ownership and share transactions, changes to facilities including IT
- Succession planning and retirement
- Bonding
- Statute barred claims (both creditor and LIT compliance)
